<b>Comments from Question #7: Instructor Strengths</b>	<b>Comments from Question #8: instructor Weaknesses</b>
You're Awesome	None
Nice, friendly, interesting	NONE AT ALL!!
Friendliness, knowledge, helpfulness	--
--	--
Ready to teach and did lots of fun activities	None
--	--
Enthusiastic and actual fun experiments!	Sometimes following you were a tad difficult to follow
--	--
Having the knowledge of being able to answer any question you ask. Nice job explaining things. You easily elaborated on any subject we were talking about. Enthusiasm, nice job!!	Next time, let the group figure out the lab before telling us everything.
You and Dr. Shew made this the best science class experience I ever had. Everything was great. You guys made it tough, but fun and you didn't talk down to us or anything. Good job! Thank you!	--
Helpful, knowledgeable, explained directions well, made all directions sound easy	None I can think of
Enthusiastic, kind, possitive, patient, ect.	--
